European Commission Public Consultation on National Registers of Packaging Producers

The Cyprus Chamber of Commerce and Industry (CCCI), as Coordinator of Enterprise Europe Network Cyprus, would like to inform businesses and stakeholders about the European Commission's public consultation on national registers of producers of packaging and packaging waste.

The initiative aims to:

- ✓ Harmonise registration and reporting requirements
- ✓ Facilitate business compliance
- ✓ Reduce administrative burden and bureaucracy
- ✓ Improve transparency and cross-border compliance
- ✓ Support the effective implementation of Extended Producer Responsibility (EPR) obligations

The European Commission invites businesses, business associations, public authorities and other stakeholders to share their views and recommendations.

Deadline: 10 September 2026
