Σειρά Εκπαιδευτικών Σεμιναρίων για τον Ψηφιακό Μετασχηματισμό των Μικρομεσαίων Επιχειρήσεων

Θα θέλαμε να σας ενημερώσουμε ότι το European Digital Innovation Hub (EDIH) Κύπρου, «DiGiNN», θα διοργανώσει 3 δωρεάν εκπαιδευτικά σεμινάρια στις ακόλουθες θεματικές ενότητες και σας ενθαρρύνουμε να τα παρακολουθήσετε.

- **High-Performance Computing**
- **Artificial Intelligence**
- **Cybersecurity**

Στόχος είναι να ενημερωθείτε για τα πιο πάνω ψηφιακά συστήματα και υποδομές και να τα αξιοποιήσετε άμεσα στις επιχειρήσεις σας ώστε να γίνουν πιο ανταγωνιστικές, ανθεκτικές, αποδοτικές και καινοτόμες.

Η συμμετοχή είναι δωρεάν. Κάθε σεμινάριο θα έχει διάρκεια 2 ώρες.

Για περισσότερες πληροφορίες και εγγραφές, ακολουθούν οι Προσκλήσεις των σεμιναρίων. Διευκρινίζεται ότι για κάθε σεμινάριο απαιτείται ξεχωριστή δήλωση συμμετοχής.

Τα δύο Ευρωπαϊκά Δίκτυα, Enterprise Europe Network και European Digital Innovation Hub (EDIH), συνεργάζονται με στόχο να παρέχουν πιο αποτελεσματική και αποδοτική εξατομικευμένη βοήθεια στις μικρομεσαίες επιχειρήσεις σχετικά με την ψηφιακή μετάβαση.

Περισσότερες πληροφορίες για το European Digital Innovation Hub (EDIH) Κύπρου, «DiGiNN», θα βρείτε στην ιστοσελίδα: www.diginn.eu

Series of Training Seminars on the Digital Transformation of Small-to-Medium-sized Enterprises

We would like to inform you that the European Digital Innovation Hub (EDIH) Cyprus, "DiGiNN", will organize 3 free training seminars on the following topics and we encourage you to attend them.

- **High-Performance Computing**
- **Artificial Intelligence**
- **Cybersecurity**

The seminars aim to raise the awareness of SMEs about the above digital systems and infrastructures and to improve their skills so that they can directly apply them to their businesses to become more competitive, resilient, efficient and innovative.

Participation is free. Each seminar will last 2 hours.

For more information and registrations, please find below the invitations to the seminars.

It is clarified that for each seminar a separate registration is required.

The two European Networks, Enterprise Europe Network and European Digital Innovation Hub (EDIH), are working together with the aim of providing more effective and efficient personalized assistance to SMEs regarding the digital transition.

More information about the European Digital Innovation Hub (EDIH) Cyprus, "DiGiNN", can be found on www.diginn.eu

Yours faithfully,

Stalo Demosthenous
Senior CCCI Officer

Hosted by

pwc

INVITATION

Given the rising number of cyberattacks occurring recently, Organisations should ensure that they are aware of the main factors that could potentially pose a risk to their operations.

This session will focus on the main threats, and will discuss possible safeguards and mitigation measures which could help prevent and detect the materialization of such threats.
