Business & Industry Associations

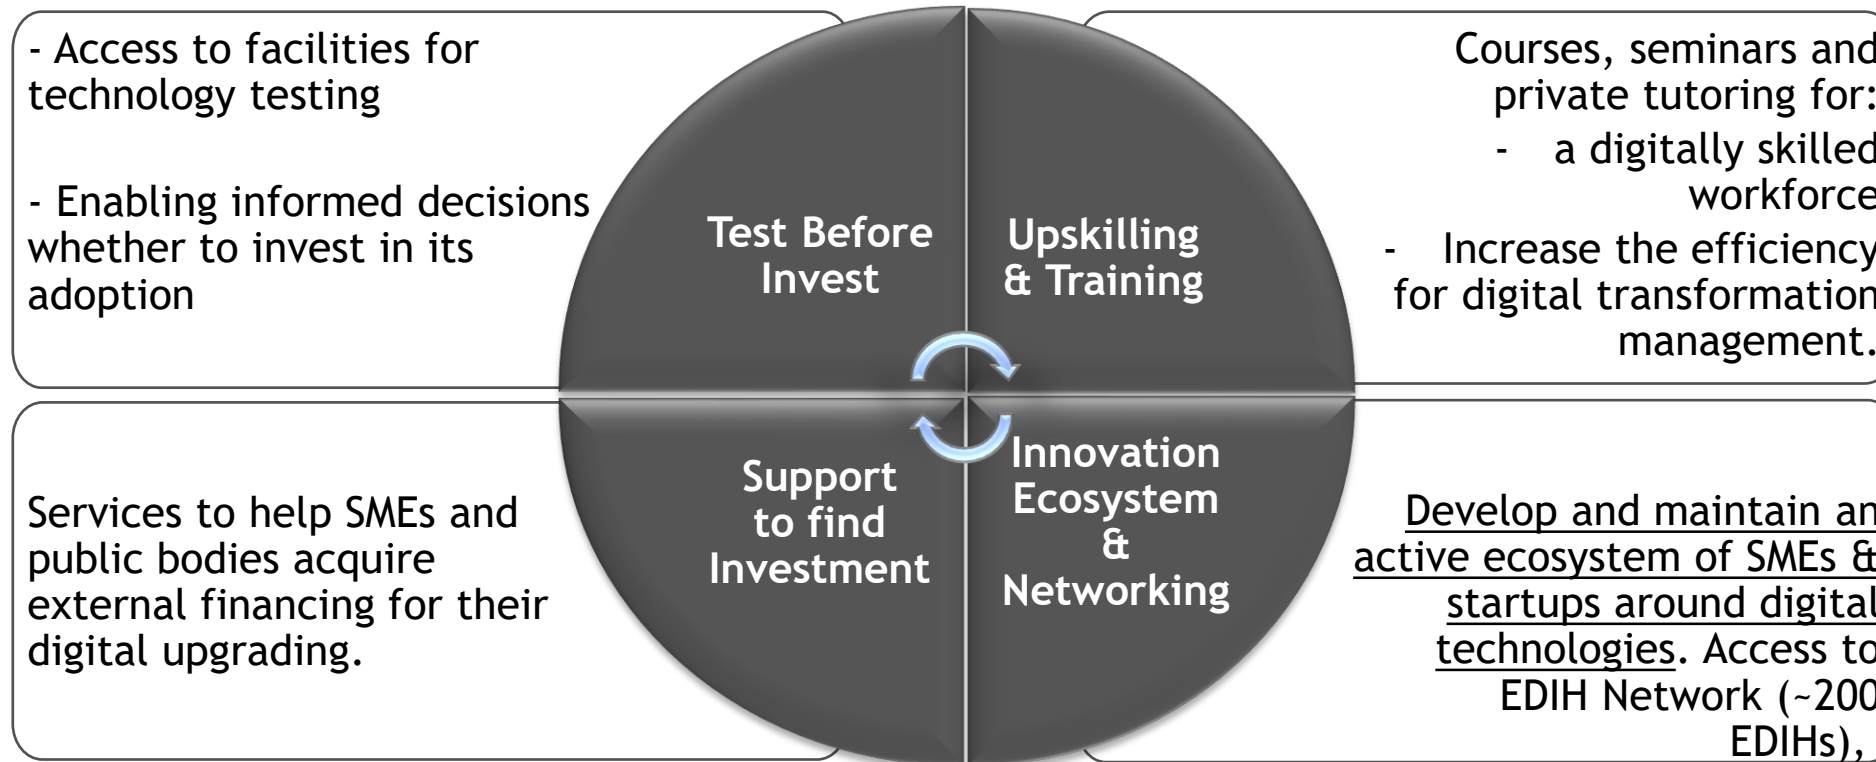

CYPRUS EMPLOYERS
AND INDUSTRIALISTS
FEDERATION

Innovation & Entrepreneurship

How can DiGiNN help?

Services to SMEs and public sector: Aiming to serve ~500 businesses & public sector entities and train thousands of individuals

DiGiNN activities in alignment with the NDS of Cyprus

- ✓ Support the implementation of the National Digital Strategy's vision for the Cypriot government to orchestrate Cyprus' digital ecosystem through DiGiNN's services
- ✓ Become the government's test-bed for the new centralized and collaborative model proposed in the NDS, providing knowledge, best practices, and a ready-to-use network

Aiming towards the achievement of the following NDS objectives and vision :

Making technology work for people

Creating a fair and competitive digital economy

Creating an open, democratic and sustainable digital society

Making Cyprus a resilient regional player with seamless business environment

Vision: Cyprus to become a fit-for-the-future society and knowledge-based economy enabled by digital and emerging technologies that will drive economic prosperity and competitiveness to position the country as a resilient regional player in the European digital economy

Thank you!
